Practices

Employment & Benefits

Dispute Resolution

Commercial Contracts &
Outsourcing

Carola heads our Employment and Benefits practice. She advises both domestic and international clients on all aspects of employment law and focuses especially on matters of a demanding or strategic nature. A significant portion of her practice relates to employment disputes. She has extensive experience of employment and commercial disputes and has represented both domestic and international clients in complex litigation and arbitration proceedings.

Educational background

Master of Laws with court training, Helsinki District Court (2010)
Master of Laws, University of Helsinki (2007)
Studies at Université de Caen Basse-Normandie, France (2004–2005)
