Practices

Employment & Benefits

Elina specialises in assignments related to employment law. She regularly advises both domestic and international clients on all employment-related assignments, such as general day-to-day advice, drafting of employment and executive agreements and terminations thereof, as well as employment issues related to redundancies and reorganisations. Elina joined our firm already as a law student.

Educational background

Master of Laws, University of Turku (2019)

Studies at Università degli studi di Verona, Italy (2017)

Memberships and affiliations

Finnish Labour Law Association
