Practices

Intellectual Property
Technology & Data
Commercial Contracts &
Outsourcing

Kalle heads our Technology, Data & IP practice. He advises clients on both contentious and non-contentious intellectual property matters with a particular focus on copyrights and trademarks, and he is an authorised trademark attorney in Finland. He has extensive experience in commercial contracts and transactions relating to intellectual property, data, technology and media. Kalle also regularly provides counsel on marketing law and data protection matters and he is a CIPP/E (Certified Information Privacy Professional/Europe). Prior to joining our firm, he worked as an in-house IPR counsel at a leading European media and learning solutions corporation.

Educational background

Master of Laws in Intellectual Property Law, London School of
Economics and Political Science (2012)
Master of Laws, University of Helsinki (2006)
