Practices

Corporate Advisory

Mergers & Acquisitions

Capital Markets

Marko represents clients in both public and private M&A transactions and other corporate structuring matters. He advises both private and listed companies, their management and the shareholders in company law and corporate governance-related matters and chairs the shareholders' meetings. Prior to joining our firm, Marko worked as a legal counsel for the National Board of Patents and Registration.

Educational background

Master of Laws, University of Helsinki (1998)
