### **Nelli is currently on a leave of absence.**

Nelli advises both domestic and international clients primarily on renewable energy transactions and environmental regulatory matters. Nelli also assists clients with development of renewable energy projects on a daily basis. Nelli began working at our firm already as a law student, gaining valuable experience as a trainee before joining the team as an Associate.

### Educational background

---

Master of Laws, University of Helsinki (2022)

### Practices

---

Energy

Environment
