Dispute Resolution

Salha specialises in data protection and cybersecurity law. She also provides counsel in assignments relating to technology, commercial contracts and dispute resolution. Prior to joining Krogerus, Salha has led a data protection team in a Nordic law firm, worked as senior legal counsel in a cybersecurity company and provided legal services through other firms. She is a certified information privacy professional (CIPP/E) and an experienced speaker and lecturer. Her work is especially recognised for its practical approach and strong understanding of technology.

Educational background

Master of Laws with court training, Keski-Suomi District Court (2018)
Master of Laws, University of Helsinki (2013)
Studies at Rheinische Friedrich-Wilhelms-Universität Bonn (2010-11)
