Practices

Energy
Environment
Industrial Projects
Mergers & Acquisitions

Industries

Energy & Infrastructure
Food & Beverage

Sami co-heads our Energy practice and is also in charge of our Environment practice. He assists clients in transactions and projects especially in heavily regulated industries such as energy, infrastructure and natural resources. Sami has also comprehensive knowledge of environmental laws and regulatory matters, which he leverages for the benefit of our clients both in transactional work and standalone advice.

Educational background

Master of Laws, University of Turku (2002)

Memberships and affiliations

Finnish Bar Association
Turku Chamber of Commerce, ICT Committee, Member
International Bar Association
